JOIN US for a one-day Men's Bible Study Retreat at the Green Lake Conference Center on Saturday, May 4th from 8 am to 5 pm. Bible study materials, lunch and snacks are included for FREE.

This Bible study is based on the movie WOODLAWN, a moving and inspirational film based on the true story of how one community used love and unity of purpose to overcome hate and division in early 1970s. From this study, we will learn the importance of unity among all believers and the cost of being a follower of Christ. We will see how we can find significance through service, what it means to surrender our lives to Christ, how to deal with trials in our lives and how a legacy is about serving others. We will talk about what it will take to have a revival in our community.

This retreat is being organized by a multi-church Bible study in our community. To learn more about the retreat, you can go to www.onewaupun.com, where you can also register to attend if you are interested. You can also find information on the retreat's Facebook page @onewaupun. Look for informational cards and posters coming soon!
